

## 4-H's Slimy Friend Clover

This slimy, stretchy, gooey recipe has become one of the most popular concoctions of all time.

### Ingredients:

#### Part 1 Solution

1 cup water

1 cup white glue

7-10 drops green food coloring

#### Part 2b Solution

1 1/3 cup warm water

4 tsp. borax laundry booster

### Directions:

1. Mix ingredients from part 1 solution together in a medium bowl.
2. In a second medium bowl, mix the ingredients from part 2 solution together until borax is completely dissolved.
3. Slowly pour part 1 solution into part 2 solution (DO NOT MIX!!!).
4. Roll part 1 solution around in part 2 solution 4-5 times.
5. Lift part 1 solution out of part 2 solution and knead for 2-3 minutes.
6. Store Slimy Clover in an airtight container or plastic zip bag.
