

Statement of Responsibility to Project

Welcome to the Cattaraugus County Market Animal Project. Enclosed are your project records for the 2009-2010 year. The project records are **NOT** optional, they must be completed and turned in. (Please note: The Project records have been broken down into 2 parts “Project Packet” and “Financial Records”.)

The “Project Packet” is the learning part. The “Project Packet” must be turned into the chairperson(s) of your species by **July 1st**. If these are not turned in you will not be allowed to bring your market project to the fair or sell at the market sale.

“Financial Records” show how your project is coming along financially. They will help you keep track of your expenses and after you sell you market animal will show your profit or loss. “Financial records” will be turned in the day of your interview at County Fair. The interview is required and those that do not attend will not be allowed to sell their animal at the sale. The interview will be during the week of the fair and there are usually questions regarding your project records.

There is a Sr. Project Award and a Jr. Project Award that will be given out. These awards are based on a total combined points system of the Project Records and the interview. The project records are based on completion and timeliness. Effort is always noticed, but also is not trying. So please try your best.

The project records for all species are not to make you feel like you are in school, but to help you learn about your project, how to raise your animal, how to show your animal and learn why you are raising it. If you need any help contact Bonnie at X120 or Cindy at X121 (699-2377) or email us at bsm8@cornell.edu or csb10@cornell.edu . Species chairpersons are always here to help as well.

Remember to Show You Must

- ✓ Attend 2 Educational Meetings.
- ✓ Turn in “Project” Packet by July 1st.
- ✓ Attend your Interview at the Fair.
- ✓ Turn in ALL required paperwork

I have read the above information and I am aware of all the rules regarding what is required of me in order to show and sell my market project(s).
