

## Cuba Gold Diggers 4-H News

The 4-H Cuba Gold Diggers Club hosted this years Recognition Banquet on Friday, November 13<sup>th</sup>. This included serving the meal, greeting their guests, leading the invocation and flag salute, along with honoring our cooperative extension 4-H leaders. The club members enjoyed this opportunity to serve their fellow 4-Hers from all over the county. In addition to hosting the banquet, the monthly meeting was held the following day. After discussing club business, members joined in making thank you cards to encourage our troops after celebrating Veterans' Day earlier that week. Our members enjoyed this opportunity to thank those serving in the armed forces. The next meeting will be held on December 12<sup>th</sup> at the Cuba 1<sup>st</sup> Baptist church in the fellowship hall. Those who are interested in attending are welcome.
